

KUNAL DAS

Electronics and Telecommunication Engineer

+918637333961 | kunal.webindia@hotmail.com | <https://github.com/NestiveTech> | www.linkedin.com/in/kunal-das-10623b310 |

Portfolio - <https://nestivetech.github.io/kunaldas-portfolio/>

SKILLS

- Programming Languages:** C, Python, MySQL, HTML, CSS, JavaScript, Object-Oriented Programming, PyWebView
- Software and Tools:** Git (Version Control), GitHub, MATLAB, MS Office, Proteus, ChatGPT & AI tools.
- Embedded Systems & Hardware:** Microcontroller Programming (Arduino, ESP32), Sensor Integration (Ultrasonic, IR, GPS, GSM), Circuit Design, Schematic Debugging, PCB Prototyping
- Technical Concepts:** IoT Systems, Real-Time Systems, Serial Communication, Database Management (MySQL), API Integration
- Soft Skill:** Team Leadership, Problem Solving, Communication, Project Management
- Languages:** English, Bengali, and Hindi.

INTERESTS

I'm passionate about circuit and microcontroller design with sensing components, complemented by Python and programming projects. I aim to solve complex problems by integrating hardware and software to build practical, innovative systems.

CERTIFICATIONS

- Computer Diploma in Information Technology Application (2018-2019)
- Computer Diploma in Financial Accounting System (2021-2022)
- Employability Skills – JobReady Certificate | Wadhwani Foundation
- AI for Beginners Certificate | HP LIFE
- Generative AI for Educators Certificate | Google & MIT RAISE
- Certified In Lean Startup Methodology | NPTEL+ Workshop

PROFESSIONAL SUMMARY

Motivated and performance-driven telecom and network professional with hands-on experience in telecom infrastructure, field coordination, and operational support. Skilled in maintaining site uptime, executing maintenance and expansion activities, and ensuring adherence to safety and quality standards. Known for thriving in fast-paced environments and collaborating effectively with cross-functional teams to support network projects. Committed to delivering reliable and efficient connectivity solutions that enhance service quality and user experience.

EDUCATION

Diploma In Electronics and Tele-Communication Engineering (2021-2025)

- FALAKATA POLYTECHNIC (Government of West Bengal)
- Overall GPA – 9 | Overall Percentage – 88.5%**

Bachelor Of Science (2018 – 2021)

- UNIVERSITY OF NORTH BENGAL | **GPA - 7.18**
- Subject - Physics, Chemistry, Mathematics

HIGHER SECONDARY EDUCATION (2016 – 2018), Science

- WEST BENGAL COUNCIL OF HIGHER SECONDARY EDUCATION
- Percentage - 57.4%**

SECONDARY EDUCATION (2015 – 2016)

- WEST BENGAL BOARD OF SECONDARY EDUCATION
- Percentage - 66.6%**

PROJECTS

Library Management System (LMS)

(Jan 2025 – Jun2025)

Team Leader, Backend & Database Programmer

- Developed backend using Python and PyWebView.
- Managed MySQL database, implemented user authentication, and optimized performance.

Smart Accident Prevention, Detection, and Reporting System (SAPDRS)

(Jul 2024 – Dec 2024)

Team Leader, Circuit Designer, Embedded Programmer

- Developed a microcontroller-based system with GPS and GSM integration.
- Led a 6-member team and achieved up to 30% faster emergency response time.

WORKSHOP

Lean Startup Methodology: Why failing fast is important?

DECLARATION

I do hereby declare that all the information given here is true and correct to the best of my knowledge and belief.
